

CHOOSE RELIABILITY AND SAVE NOW!

Proven Reliability & Better Looking Cards

Put the ultimate stamp of approval on your secure ID solution with the premier reliability of the Datacard® CD800™ card printer with inline lamination module. Maximize productivity & deliver high-security cards that look good, time after time.

TWO WAYS TO SAVE. ACT NOW - LIMITED TIME OFFER*

1.

Buy a CD800 printer with lamination and we will include a free tactile impression module that helps improve card security and adds a distinct look for your cards and brand with generic or customizable options — a **\$995 value MSRP**.

2.

If you're already using a Datacard® CP80™ Plus Printer or a competitive laminating printer and upgrade to a CD800 with lamination you will receive free re-origination on your custom laminate designs — up to a **\$4,500 value MSRP**.

Contact your Datacard representative
for more information.
